TD307II SV

To hear sound as you have never heard before, surround yourself by a space you have never been to before. A space where you touch the skill of the artist. The ECLIPSE TD series concept brings you to the place where sound happens.

The new experience in sound and space

Flexibility to suit or redesign your space

TD307II BK

The 307II can reproduce sound from a digital music player, a one-box music system, a PC or a mobile phone with quality you have never heard before. Set the speakers up on the stand, wall or the ceiling. Wherever it goes, it sounds even better than it looks.

## Unchallenged pedigree

TD307II WH

Used as the finest musical reference system for the top artists, winners of countless awards, the ECLIPSE TD series challenged and changed the conventional understanding of the small high-end speaker.
